ARMY OF THE POTOMAC.

Picket Firing Still Persisted in-Position of Beauregard's Troops Sheridan's Ex-[Correspondence of the Associated Press.] HEADQUARTERS ARMY OF THE POTOMAC, June 9.—Nothing especially interesting to report. On a part of the line picket firing has been kept up all day, while at other points it would seem, as if by mutual agreement, this practice has ceased. Last evening a battery in Birney's division opened on a house on our left, which, according to a deserter who came in this morning, was occupied by Gen. Wil-cox, and three shells went through it, causing the occupants to leave rather hastily. The

fire was returned with very good aim, but

without loss to us. The deserter says that Beauregard's troops are posted from Bottom's Bridge all the way to the James river, watch-

ing for the appearance of our army in that di-JUNE 10, P. M .- The enemy are busy throwing up fortifications in the vicinity of Stuamer and Bottom Bridges. The spires of Richmond are visible from the signal stations at these points, and wagon trains can be seen moving within three miles of the city, where the road it ra short distance is visible.

Very little firing has taken place to-day. No change in position has been made for the past two days; but we expect news daily of the re-sult of an expedition which startednet long are. Last evening, as Col. McAltister. of the 11 h New York volunteers, was riding along the life, he was fired at by a rebel sharpshooter, no wi h-tarding there had been a tacit agreement that no picket firing should take place. The ball passed across the Colone's breast and entered the heart of Wilson Sucoks, the Colonel's orderly, who was riding with him. The entire command was at once put under arms, expecting an attack, but nothing further

fight them steadily.

A messenger who left the capital at 4 o'clock this morning, reports that Frankfort is under martial law; and that all men capable of bearing arms have been armed to detend the city. THE BATTLE AT COLUMBIA, ARK. General A. J. Smith's Command Engaged The enemy routed with loss. CAIRO, ILL.. June 11 .- By an arrival of the steamer Liberty, further accounts of the bat-

tle at Columbia, Arkansas. have been received. The rebel forces engaged are estimated at three thousand. Smith landed at Sunnyside on the 5th and took up the line of march early in the morning, under a heavy rain, in the direction of Lake Cheat. About nine o'clock the advance met two regiments of the enemy, strongly posted opposite the bank of a bayou emptying into the lake, and opened fire upon them from two gune. They fell back to a second position on the bayon, leaving an open field between the two lines. Our fire was responded to by the enemy with a battery of six guns. Our forces soon desisted from the use of their guns, and advanced under a heavy fire upon the enemy's line driving them from their position. The enemy re-

treated in westerly direction, leaving the lake in the rear, and rendering it impracticable to pursue. The engagement lasted an hour. Our los was twenty killed and seventy wounded. The enemy's loss was about the same number. Our forces suffered most in crossing the open field. Marmaduke is reported to be in command.

The mortality now averages thirty five per day." NEW HOPE, GEORGIA, June 4 .- The enemy are still throwing forward troops on our right. There has been considerable artillery skirmishing since one o'clock to-day. General Eckels has been wounded. Same pri-oners are coming in, among them Lieutenant J. R. Bagley, of the 9th Illinois Regiment. The enemy are fortifying at Kingston, five miles below.
